

## Earthworks Training & Assessment Services

RTO 50590

### Disclaimer

While Earthworks Training & Assessment Services (ETAS) takes every reasonable precaution and endeavours to ensure the safety and security of all information, resources and materials including that of any information you access or download from our web site, ETAS disclaims all responsibility and liability for any losses, expenses and damages including without limitation, liability of negligence and any other damages arising from your access to, use of, or downloading from this site which may result in inaccurate information, resources and materials.

ETAS cannot guarantee that the information, resources and materials on this site is free from computer viruses or other contaminations. As a precaution it is strongly recommended and encouraged you have appropriate and up to date virus protection installed on your device (s) before downloading any information, resources and materials from this site including that of any third party links.

ETAS does not make any claims or representations on the accuracy of information, resources and materials contained on this site including links to third parties. Third party links are additional information sources only and do not constitute an endorsement by ETAS including that of any persons associated with third party sites. ETAS is not responsible for the privacy or security of third party links and their related web sites.

Cookies are used to make our website easier to use and protect both you and the secure areas of our website. You can remove or block cookies using the settings in your browser though in some instances removal of cookies may impact your ability to use the web site.

We may amend this document from time to time. Updated versions will be notified on our website.
