Novel Coronavirus (COVID-19 Virus)

Strict physical distancing and hygiene control measures to mitigate the risk of and exposure to the COVID-19 virus are in effect at our training and assessment courses and work sites.

Course Prerequisites

Northern Territory Traffic Management training courses mandate as a minimum that a course participant must hold a Australian motor vehicle driver's licence and a General Construction Induction Training card (NT White Card or interstate equivalent).

Course Registration

Ensure all relevant and required fields are completed on the course registration form. Course Registration forms emailed to etas@bigpond.net.au. Tip: Ensure you read the content of your course confirmation prudently as this contains the course details.

Fee for Service

Course payments are required to be pre-paid at least one (1) week prior to the course date unless prior arrangements for payment are made. Payments can be made via EFT or Credit Card. If paying by credit card, please contact our office on 89 885484. For Employers / PCBU's and NGOs, please provide a purchase order if applicable. Please note our terms and conditions of payment are strictly 14 days net unless prior arrangements for payment are made.

Course Cancellations & Refunds

Cancellations or transfers of a course registration require 5 working days' notice in writing. No refunds may be given for late withdrawals, late arrivals to a course, failure to attend, leaving a course early or non-completion of a course. If you are deemed not competent or withdraw during the course no refund may be made payable. Only one (1) transfer or substitution is allowable before the fee for service may be forfeited.

Late Arrivals to a Course

The senior trainer and assessor will use their discretion to ascertain if a late arrival is permitted to enter a course. If declined, this may be classified as a late cancellation and a refund may not be payable. We understand the best made plans can go astray so if you are running late advise the trainer and assessor direct on 0407 991 448. Thank you.

Unique Student Identifier Number: <https://www.usi.gov.au/students/create-your-usi/> it's free and it is easy!

ETAS will be closed from 18 December 2021 & back on deck 17 January 2022
